Re: Request for Extension of National Flood Insurance Program (NFIP) deadline for filing Proof of Loss Claims; FEMA-4277-DR-LA; Louisiana Severe Storms and Flooding

Dear Mr. Stolar,

Please accept this letter as a request to extend the National Flood Insurance Program NFIP Proof of Loss Claims for Louisiana policyholders impacted by the severe storms and flooding that started August 10, 2016.

The State had requested and received an extension of the Proof of Loss deadline through February 9, 2017. The extensive damage resulting from the flood event has prolonged the recovery process and inhibited all homeowners from complying with the existing timeline. Therefore, the State requests an extension of an additional ninety (90) days, through May 10, 2017.

If you have any questions or need additional information, please contact Mark Riley via telephone at 225-376-5493 or via email [mark.riley@la.gov](mailto:mark.riley@la.gov).

Sincerely,

Mark S. Riley  
State Coordinating Officer/FEMA-4277-DR-LA
